Approve purchase of 2012 Case tv380 Skid Steer

The Street Department has been looking to purchase a Skid loader. One became available online on an auction site. It was bid on and they had the winning bid of \$20,000. They are seeking approval for \$20,000 for the skid loader plus \$1,000 for the buyer's premium for a total bill of \$21,000. Council person, Derrick McKinney questioned the purchase as to whether the City could afford it at this time and whether it was in running condition or not.
